# Make it easy to manage risk and regulatory compliance at your organization.

ViClarity's award-winning RegTech solution tailored for your Governance, Risk and Compliance (GRC) needs.

## Your One-Stop Audit, Risk & Compliance Technology Solution

In an ever-changing regulatory landscape, ViClarity offers an innovative GRC management software, allowing organizations to replace manual oversight and labor-intensive processes with automation in one centralized solution.

+ **Easy to Use**
Straightforward technology platform is user-friendly.

+ **Time Savings through Automation**
Reduce administrative effort by up to 80% through process automation.

+ **Reports On Demand**
Access real-time reports and executive dashboards displaying completion, trends, weaknesses and emerging risks.

+ **Configurable Workflow Tool**
Configure system to address pain points, needs and reporting requirements unique to your credit union.

# Our platform can help automate your:

+ Risk Management
+ Compliance Management
+ Complaint Management

+ Document Management
+ Vendor Management
+ and more!

| *Before* Automation | *With* ViClarity's GRC Software Solutions |
|---|---|
| Mantaining multiple spreadsheets across the credit union | ✓ Automated data collection provides a one-stop source for all GRC evidence and documentation. |
| Emailing data person-to-person | ✓ Intuitive online workflow and user interface enables quick responses in a secure environment. |
| Hours of time compiling reports | ✓ Compile reports automatically and in real-time providing clear oversight for the Board and management teams. |
| No comprehensive view of audit results and business risk | ✓ Live analysis of audit results across the organization quickly exposes areas of concern and levels of risk. |

## A Reputation for Success

*ViClarity, formerly PolicyWorks, LLC, has provided more than 1,000 clients across the globe with the tools needed for GRC management and oversight. Named by InsuranceERM Americas as the 2020 "Best Operational Risk" solution provider, ViClarity's GRC management software is a centralized, easy-to-use solution to manage all of your risk and compliance needs.*

### Looking for guidance enhancing your credit union's compliance program?
