- Free 10-week education program
- \$2,000 program stipend
- All-expense paid trips to Goldman Sachs in NYC
- A powerful network of Black women entrepreneurs

## PROGRAM DESCRIPTION

Goldman Sachs spent the last decade helping small businesses grow with *10,000 Small Businesses*. Now Goldman Sachs *One Million Black Women* is taking it further – helping Black women sole proprietors learn how to price their product or service, hire their first employee, understand their finances, and so much more.

**“I would tell any Black woman who wants to become an entrepreneur that she should surround herself with people who can provide expertise, advice, a shoulder, time—because I feel like that is invaluable.”**

**LISA JOHNSON** — Founder & Director, Mathtopian Preparation
