MISSION STATEMENT

Well driven highly motivated current College student, looking for an entry level IT help desk position to enhance my technical skills and to obtain more experience. Hopefully, after gaining more cyber skills I will become a well-seasoned penetration tester, so I am able to protect a wide range of companies' network.

EDUCATION

Associate Degree | Des Moines Area Community College
2019 – 2023(ANTICIPATED)

SKILLS

- Strong Knowledge of Network protocols, Network analysis tools, and Network Architecture
- Python Scripting
- HTML Scripting
- Wireshark Software
- Established internet connectivity through Wi-Fi accessibility and Wired LAN

ACTIVITIES

- Assisted in the set-up of the United Way VITA (Volunteer Income Tax Assistance) center at River Place.
- Participated in lock picking sessions.
- Participated in the Secdsm panel.
- Code Club.
- Practicing coding on GitHub.
- Active on TryHackMe.

CONFERENCES

- Attended the Secure Iowa Conference.
- Attended the Iowa Technology Summit.
- Attended the Des Moines ISSA Chapter.

CERTIFICATE

Currently studying for the CompTIA PenTest+ Certification Exam PT0-002.
